Highway Accident Claims Life Of Boy

Meeting To Discuss Water Conservation

Thousands of people are presently enjoying their vacations in the Highlands of Haliburton. At the beginning of July many wondered if we were going to have any summer guests but a survey of our busy streets and highways and traffic on our lakes there last two weeks would seem to indicate we have a greater number of visitors than ever before.

The question that this holiday area should be asking is can we continue to draw an increasing number of visitors from year to year? The great attraction we have to offer is our scenery and lakes. At present most of our lakes have a fair supply of water in them but then we have had more rain than usual.

Those who make a study of water resources say that water supplies on this continent will, in all likelihood, decrease over a period of the next 10 years.

Water is a question of vital importance to us in the highlands and that is the reason that a meeting is being called at the Red Umbrella inn on the afternoon of Saturday August 12.

This meeting has to do with the conservation of water on our many beautiful lakes that dot the highlands. It is hoped that representatives of chambers of commerce, camp directors, conservationists and tourist associations will be in attendance. The meeting is called for 3 p.m. sharp.

Michael Therrien of Erin-dale, age 13, died on Monday afternoon as the result of injuries suffered when the car in which he was a passenger collided with an elm tree.

Michael was riding with his brother, Ross Therrien Jr., 16, and the car was involved in a collision with another vehicle driven by Mr. Bert Ward of Newmarket. It swerved off the road hitting a 28-inch elm tree head on.

Dr. Good, who was summoned to the scene of the accident had the young boy rushed to Lindsay by the ambulance from Haliburton but due to the severe injuries he received he was pronounced dead on arrival at the Ross Memorial Hospital.

Ross Therrien, the driver of the car, is in the Lindsay hospital with a broken jaw and other injuries but his condition is not regarded as critical. We understand an inquest will be held into the death, also that charges are pending.

The accident took place three miles north of West Guilford on the Kennisis road.

Our local ambulance drivers were commended for the quick response for help at the scene of the accident after they were called.

Haliburton-Peterboro Hwy. To Be A Reality

We have been told by deputy reeve Roy Brohm who has been informed by Clayton Hodgson M.P. that the road which has been under construction between Paradise Lake and Gooderham is to be taken over by the provincial government and it will be extended to the Peterboro boundary. It will merge with the road to Peterboro at Buckhorn.

Work on this new highway is slated to get underway this fall and will continue on throughout the winter.

It was back in the hungry '30's that a survey was made on what is locally called the old Buckhorn road and there were high hopes raised that a new road would be constructed over this route.

However there were more pressing needs at that time and the war came on with the result that no further action was taken in this matter.

However, two years ago work got underway on a new route and instead of the road going out over the old Buckhorn road, a new route was chosen which started at Paradise Lake and followed a course which is apparently much straighter and much more suitable for the construction of a first class highway.

We are of the opinion that this road will be a great benefit to this area in more ways than one and will provide sufficient work and wages to give the local economy the lift it needs in the fall and winter seasons.

MINDEN RED CROSS

The Minden Red Cross swimming classes were started on July 3. In spite of the cool weather the first week they were very well attended.

The swimming instructress was Miss Judy Johnson of Lakehurst. Her assistant was Miss Penny O'Neill of Minden.

The enrolment for the four weeks was 150 of which approximately 85 were beginners, 40 juniors, 19 intermediates and six seniors.

Also there was a royal lifesaving program, with classes held in the evening. This included intermediate lifesaving, bronze medallion and award of merit.

The classes were brought to a close July 28 with a program of swimming and lifesaving demonstrations.

The awards were presented by Mr. M. R. Herlihey, president of the Minden branch of the Red Cross.

The appreciation of the candidates is also extended to the Minden Rotary Club who so generously provided transportation to the lake.

Cocktail Vote September 16

The date of voting on the question of cocktail lounges and the serving of liquor with meals is to take place in the municipality of Dysart on September 16.

As we go to press there is very little action or controversy on the holding of this vote.

However, if a properly conducted contest is to be held a manager for both sides should be appointed at once. If this is not done before August 12 it will be too late. Should either side neglect to have a properly appointed manager they will not have the privilege of adding names to the voters' list, appointing scrutineers, etc.

Complete information regarding any matter pertaining to the holding of this vote may be obtained at the Dysart municipal office.

Local Hardware Join Associate Store Plan

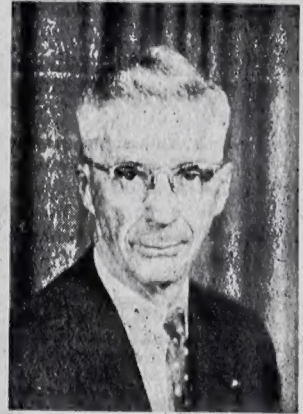

C.T.L. represents the initials of three major wholesale hardware companies in eastern Canada. These firms combined to form an associate store plan in 1959, based on the concept of independent merchants voluntarily banding together to provide better prices, service and selection of merchandise for their customers.

H. J. Black Hardware in this area has chosen to become a C.T.L. associate store to provide the following advantages for its customers: modern store display, self-serve merchandising, all goods clearly priced, more than competitive prices, a very large diversified selection of goods, a customer catalog of merchandise available and the guarantee of quality backed by a multi-million dollar organization.

All these benefits for the

Young Boy Drowned

A very sad drowning accident took place at Kennisis Lake on Monday afternoon last when young Michael Arthur Holmes fell off the wharf in front of his parents cottage.

The young 4½ year old boy was the son of Mr. and Mrs. Bryan Holmes of 17 Linville Rd., Scarboro.

We understand the young lad had only been out of sight about 10 minutes and when called he did not respond. Naturally the apprehensive parents rushed to the lake only to find their son in the water.

Const. Mounsteven was summoned to investigate the fatality as was the coroner, Dr. D. W. Glassey, who pronounced the boy dead.

A Hole In One

Last Friday afternoon while playing at the Haliburton Highlands golf course Don Marshall, who is vacationing at Holiday Inn attained the golfer's dream—a hole in one. We might add this feat was achieved on the difficult ninth hole.

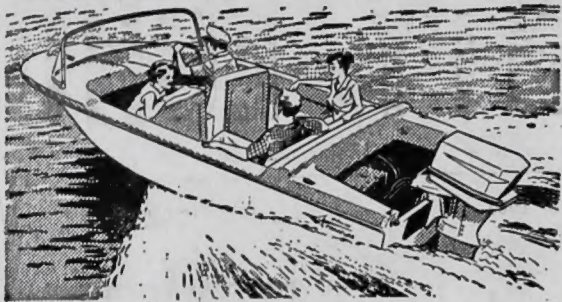

Don was accompanied on this round by Chris Loukras, Carrie Loukras and Dan King.

It's Don Messer And Islanders

At the grounds of the Lindsay Central Exhibition on the evening of Thursday, August 10 Don Messer and his entire cast including Marg Osborne, Charlie Chamberlain and the incomparable Buchta dancers will be appearing in person.

Don Messer and his Islanders have always been referred as being a class of their own and the demonstrated it when only after a few months on T-V they became Canada's top rated program.

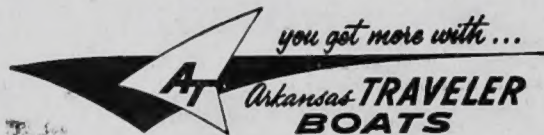

Algar coach lines are running a chartered bus to Lindsay for this occasion. You will note the time of departure on page six of this issue. For further information you may call 46J1, Haliburton.

LUTTERWORTH
LEGENDS

Chapter 12

Between 1857 and 1875 nine children were born to Mr. and Mrs. William Hartle. When trapping and fur trading became less profitable, William Hartle successfully operated lumber camps in Cavendish township and elsewhere.

Politically William Hartle played an important role in both township and county affairs.

The history of the Hartle family in the Minden Institute's Tweedsmuir History gives the date of their arrival as 1862 but a list of Reeves and township clerks lists William Hartle as the township clerk of the new municipality of Galloway, Snowdon, Minden, Anson and Lutterworth in 1860. When Haliburton in 1874 became a county, William Hartle was the first reeve to represent Lutterworth township.

Until his death in 1908 at the age of 82, William Hartle continued to make an outstanding contribution to the Through his untiring efforts and faith in Haliburton's future many new settlers from the eastern counties of Stor-

mont and Glengarry were encouraged to follow his example and take up land in the new county. Some of these families were the Barnhardts, the Calverts, the Hamiltons, the Johnstons and the Fetterlys.

Both of his foster daughters settled in the area, Christiann Cline as the bride of Francis Peck of Snowdon and Mary Cline as Mrs. Jas. Hamilton, also of Snowdon.

Life on the frontier allowed a boy little time for growing up. Many embarked on their life's work when they had hardly entered their teens. Such was the case with Donald John Hartle, eldest son of William Hartle, who started a thriving freight and stage business with one second hand wagon and a team which he hired out to cadge supplies to lumber camps in the county.

After the arrival of the railway he got the contract to transport freight and operate a regular stage run between Minden and the Gelert station. Donald Hartle was assisted in this venture by his brother, Levi Barnhart Hartle who was born in Lutterworth in 1867.

A trip by stage with either of these brothers must have been quite an adventure.

A resident of the western provinces who taught school in this county many years ago recalls her first trip from the Gelert station with Hartle's stage. When the driver learned that she was nearly exhausted from the long journey, he stopped at a farm house where he and his passengers were served hot tea and a lunch. Hospitality held a special meaning on the frontier where people believed that in entertaining strangers they might meet angels unawares.

Regarding Levi Hartle, a Minden Echo of August 12, 1892 has this to say: "Mr. Levi Hartle, son of William Hartle Esq., started to Dakota on Tuesday last where he expects to settle. Having contracted diphtheria some time ago in a lumber camp, he suffered very severely from the after effects but is now fully restored in strength and goes to push his fortune in Dakota."

Donald John Hartle was also for some years Crown lands agent and road construction supervisor. In 1896 he purchased a general store on the site of the Minden Furniture Centre. Eight years later he bought out Roy's Mercantile which was located on the opposite side of the street. This building, still in the Hartle family, was destroyed in the disastrous fire of 1942.

True to the tradition of military service instigated by John Hartle Sr., when he donned the King's uniform to quell the revolt which was to rob England of one of her most promising colonies, Donald Bertrand Hartle, a son of Donald John, fought with the Royal Flying Corps during World War I. Following in his father's footsteps

D. B. Hartle's only son, Lieut. John Bertrand Hartle, also fought for his king while serving aboard the aircraft carrier "HMS Magnificent." John Hartle Sr., who would not have been ashamed of his grandchildren, even in the sixth generation.

Weddings of Local Interest

Minz - Mintz

Amid bouquets of delphiniums and primroses a pretty double ring wedding was solemnized in the Gooderham Pentecostal Church on Sunday afternoon, July 23 at 3 p.m., uniting Donna, daughter of Mr. and Mrs. Vern Mintz and Warren Minz, Toronto, son of Mr. and Mrs. Minz of Germany. Rev. Springs of Frankford and Mr. T. Thompson officiated.

Given in marriage by her father, the bride wore a beautiful floor length gown of embroidered satin accented with a great sweep of skirt over crinolines and a train held by two little ring bearers, the Anderson boys of Wilberforce.

Her silk net veil was fastened to a decorative tiara and she carried a bouquet of roses.

The matron of honor was Mrs. Della Jenkinson, sister of the bride. The bridesmaids were Mrs. Owen Mintz and Miss Carole Grisdale of Toronto. All were dressed in delicate flowered organza with wide colored cummerbunds and bouffant skirts. Each wore a crown shaped tiara of pearls and carried bouquets. Little Nadine Jenkinson was pretty in white as flowergirl.

The groom was attended by a friend, Mr. Joseph Goebell of Lindsay. The ushers were Mr. Jas. Jenkinson of Oshawa and Mr. Owen Mintz. Mr. Blair Hanthorn of Lindsay presided at the piano.

A reception was held in the Kilmount Legion hall where about 70 guests were received by the bride's mother, who wore a becoming light dress with dainty pink flowered patterns.

The bride chose a yellow suit with mauve accessories for traveling.

The happy couple will reside in Toronto and they have the best wishes of the community.

Traviss - Raby

A very quiet and pretty wedding was solemnized in Gooderham United Church in a setting of peonies and Shasta daisies on Saturday, July 8, 1961 at 2.30 p.m. when Marie Raby was united in marriage to Mr. Frank Traviss.

The double ring ceremony was performed by Rev. Floyd Barnes of Coboconk United Church. Mrs. G. W. Barr presided at the piano.

Given in marriage by Mr. Slingerland of Oshawa, the bride wore a floor length gown of pure silk organza with lace. She carried a bouquet of red and white roses.

The bridesmaid was Mrs. Ross Raby who chose a yellow waltz length dress with white flowers.

The ushers were Messrs. Danny Traviss and Barney Traviss, brothers of the groom.

A reception was held at the home of the bride where immediate relatives were present.

The bride's mother received in a pretty mauve dress with a yellow rosebud corsage, while the groom's mother chose a green flowered dress with pink rosebuds.

A short honeymoon was spent in the Haliburton Highlands and Niagara Falls. The bride traveled in a blue dress with white accessories.

The happy couple, who are well known in this community, will reside in Oshawa.

Mr. H. J. Black has now associated himself, in this joint effort, with over a thousand other progressive merchants from the Atlantic coast to the lakeheads.

We believe the public will soon recognize the Canadian beaver perched on the C.T.L. crest as yet another proof of Canada's ability to proceed in modern ways; developed by Canadians for the benefit of Canada and its people.

In April 1946 Mr. Black bought the late Geo. E. Earle's interest in Earle & Dart and together with Mr. Russell Dart operated until 1955 as DarLack department store. On July 1, 1955 Mr. Black purchased Mr. Dart's interest and in the spring of 1956 the firm became known as H. J. Black Hardware.

This firm has now become associated with the CTL chain to better serve this progressive community.
